### In-Demand Professional Services Jobs

Grundy Workforce Services has identified 21 high-demand jobs with available training programs in these professions. They are listed on the back page with related wage and training information. Certain occupations may require testing or licensure. Most require drug testing and criminal background checks.

## Outlook & Growth

Growing demand for new digital tools and services is driving job growth in the IT and professional services industries in Grundy County. As businesses continue to adopt and integrate new technologies to increase their business efficiencies, they are constantly looking for highly trained professionals. This leads to continued job growth and opportunities in these industries!

## Training

Jobs in Grundy County's professional services, finance, and IT industries do require education and training, yet they don't always require a four year degree. Depending on your career interests and goals, you can choose a training program from several weeks to more than four years. Here are some examples below:

### 1 Year or Less

#### Certificate Program

- Computer User Support Specialist
- Office Clerk

### 2 Years

#### Associate Degree

- Computer Network Support Specialist
- Software Developer

It also includes local Grundy County job postings, available training programs, and advice on how to find financial aid. It is a resource which will introduce you to professional services jobs in Grundy County and help you figure out which ones could be the right fit for you.

## Career Opportunities

There are many job specializations and opportunities within these industries. Whether you are interested in website design, software development, accounting, or paralegal work, you can choose from a variety of interesting and challenging careers to explore.

Of course, you don't have to stick to one career pathway. You may start in one career, and advance with experience and education into something different.

Here are some professional services career pathway examples:

### Computer User Support Specialist

- Computer Systems Analyst
- IT Project Manager

### Office Clerk

- Executive Secretary
- Office Manager

### Bookkeeping, Accounting, and Auditing Clerk

- Supervisor of Office and Administrative Support Workers

These career pathway examples are just a way to get you started – the next step is up to you!

## Required Skills & Abilities

Although completing the required technical training is critical to landing a job in these professions, there are additional skills employers look for. To move ahead in, and even begin your career, you will need to demonstrate good interpersonal and communication skills.

Below are some examples of interpersonal and communication skills in the professional services, finance and IT industries.

### How many of these skills do you see in yourself?

- **Attention to detail - quality control, organization, analytical thinking**
- **Communication - writing, presenting, computer literacy**
- **Organization - time management, flexibility**
- **People management - teamwork, influencing, negotiation**
