In-Demand Healthcare Jobs

Grundy Workforce Services has identified 19 high-demand jobs with available training programs in the healthcare field. They are listed on the back page with related wage and training information. Certain healthcare occupations may require testing or licensure. Most require drug testing and criminal background checks.

Outlook & Growth

The healthcare industry in Grundy County is reported to grow faster than any other industry sector through 2020. This growth comes primarily from advances in healthcare technology, an increase in chronic conditions, and the aging population. These industry-wide changes offer many exciting employment opportunities for careers in healthcare.

Training

Jobs in Grundy County's healthcare industry require education and training after high school, yet they don't always require a four year degree. Depending on your career interests and professional goals, you can choose a training program from several weeks to more than four years. Here are some examples below:

1 Year or less Certificate Program

- Dental Assistant
- Medical Assistant
- Pharmacy Technician

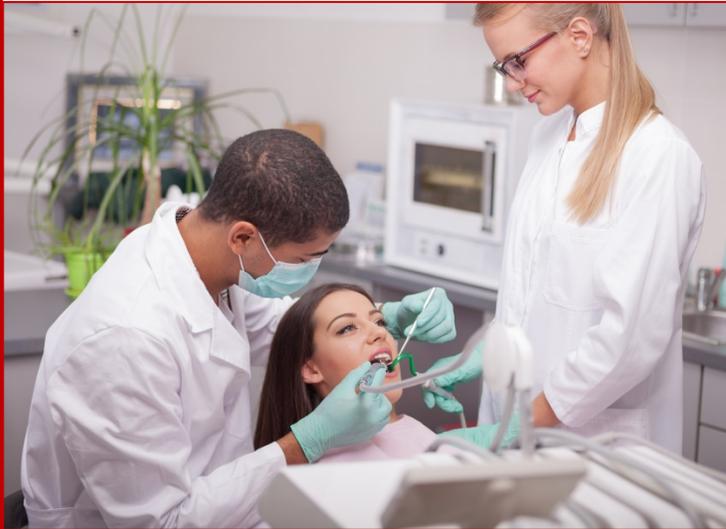

2 Years Associate Degree

- Occupational Therapy Assistant
- Registered Nurse
- Surgical Technologist
